FELLOWSHIP**   
MAKING RECOVERY REALITY

## HOW WE CAN HELP

Our employment service can help support you in finding meaningful paid employment, volunteering opportunities, education or training, and retaining employment.

We're here to encourage you to develop a sense of independence, purpose and fulfilment and to help you develop the skills you need to manage your mental health as you move towards your vocational goals.

## SUPPORT WE OFFER

At Kirklees Employment Service we offer a wide range of support to ensure all areas of employability and mental wellness are covered.

Our pathways mean that you can refer into the right option for you. Find out more at: [www.rfkirkleesemployment.org.uk](http://www.rfkirkleesemployment.org.uk).

**Employment Support:** An employment adviser will work with you on a 1-2-1 basis to create a tailored support plan based on your needs. They will then support you to become independent as you develop skills, which could include: creating CVs, completing applications, interview preparation and much more.

**Peer Support:** Groups and Workshops led by those who have lived experience of mental ill health to help you build confidence and mental wellness in a safe and non-judgmental environment.

**Online Resources:** A website where you can find self-guided resources to help you with your employability, mental wellness and much more!

## WHO WE CAN HELP

Our service is available to anyone who is 18 or over, living in the Kirklees area, and who lives with mental ill health, autistic spectrum conditions and/or with other hidden impairments, e.g. ADHD, dyslexia and dyspraxia, or early onset dementia. We cover the whole of Kirklees from our offices in Huddersfield and Dewsbury.

You can contact us directly to self-refer, or through professionals, including Job Centre Plus, other partner agencies and employers.

Please contact us for more information.
