Families enjoy 'amazing' lantern parade at Crow Nest Park in Dewsbury

A spectacular lantern parade and a health and wellbeing services were among events in Dewsbury to coincide with World Mental Health Day.

Richmond Fellowship Employment Service joined other mental health services in The Working Together Better Partnership to celebrate World Mental Health Day with the family procession.

The spectacular event which was held at Crow Nest Park in Dewsbury included an eye-catching puppet and lantern parade, featuring creations made by the local community.

Attendees also enjoyed a vegetarian curry and rice cooked on an outdoor fire pit, glitter face painting and a local Dhol drummer.

It was an amazing event; so many families enjoyed the interactive lantern puppets by Handmade Parade and the delicious food.

"The event provided the community with the opportunity to meet faces from the local services, including Richmond Fellowship Employment Service and other Working Together Partnership in Kirklees and to learn about the support available locally for mental health needs.

Shining down on the local festivities

Back to SCHOOL

Kirklees Employment Service also took time out to support Kirklees College.

Karl and Hannah attended Kirklees College to raise mental health awareness and delivered careers guidance sessions, (Karl pictured opposite) and in the evening myself, Karl and Hannah attended the Lantern Parade.

Steve Blinston (Service Manager), Hannah Pennington (Employment Adviser) and Karl Jackson-Lander, (Peer support co-ordinator) and not forgetting Stanley (Pooch).
